

Lunch & Dinner **Open all Day from 12,00 to 12,00 !**

Montpeliano Restaurant, open since 1974 by restaurateur Antonio Trapani, has achieved landmark status in Knightsbridge as the place to go for dressy, classic Italian cooking. Absolutely everyone has dined here -- some of the famous ones have left autographed photos behind.. The extensive wine list is appropriately Italian, as is the wonderful service. There's a conservatory for sunny days and a terrace for starry evenings.
